Crimestoppers – 0800 555 111

As a beat team it was lovely to see the response from the people of Nailsea to England's fantastic run in EURO 2020. It was great to see how it gave the community a lift despite the continuing tough times. Throughout the whole tournament and during England's games, ultimately ending in the usual penalty shoot disappointment there were virtually no issues raised involving anti social behaviour caused by alcohol or over exuberance.

Hopefully " it's coming home" from Qatar.

Friday 6th August @ Crown Glass Shopping centre – Nailsea – 1000-1400

Free Bike marking through the Bike Register scheme shall be available at the above date and time.

We are also pleased to announce that we have 29 Catalytic Converter marker kits to hand out on a first come first served basis!

We look forward to seeing you.

If you have not done so already please check out our Facebook page – Portishead, Clevedon and Nailsea Neighbourhood Policing.

It will give you a broader picture of what we do and show that we all cover for each other as part of a larger team.

Some of us have covered the other beats over the years and due to the nature of the job we all build a good working knowledge of all the beat areas in North Somerset.

The Nailsea beat teams were on hand to assist with traffic control on the A370 in Backwell for several hours on Friday 23rd July after an accident. This enabled our colleagues with Fire and Ambulance deal safely with the injured parties at the scene. There was a huge amount of traffic on all the back roads as a result and we are grateful to everyone for their patience.

PCSO's	Areas Covered
