2020 Neighbourhood Policing

It would be fair to say that 2020 has been an unusual and testing year for the Neighbourhood Beat Teams. The year started as normal but changed on March 23rd when the first national lockdown began. Avon and Somerset Police took on the nationally agreed policy of Engage, Explain, Encourage and Enforce, and this policy along with the good will and community spirit of the people of Nailsea has led to very few issues and very little need for enforcement. We have tried to learn and adapt during this unprecedented period and we will continue to Engage, Explain and Encourage and only Enforce when necessary.

We hope that 2021 brings us all safer and happier times and that from our point of view we can engage with our community as we have done in the past.

We shall hopefully be able to engage properly with our schools, attend community events and hold our own crime prevention events.

Thank you and we wish you all a happy and healthy new year.

Above is a random selection of activities undertaken by the Nailsea Beat teams during 2020. This shows the sometimes unpredictable nature of policing but also how rewarding it can be.
