Good News Story –

During the Covid 19 situation we have been aware that It's been a very difficult time for everyone, so we wanted to make sure that you knew that we were still contactable and fully operational during this time and so we did some ring rounds to check on some of our more vulnerable people in the area, as a result we received this lovely response on the Nailsea Forum.

Very impressed!

Just got a call from Nailsea Police Station.

At first you think its something awful, but in fact, they're just checking up on people who have been victims of domestic abuse and violence. Checking they're ok during lockdown. Thankfully he's recently gone but for those poor people, not forgetting kids stuck in abusive homes, it must be sheer hell, literally. My heart goes out to them. ❤️ They may just be doing their job, but could be a life saving call for some.

Thank you Nailsea police. ❤️

A message from your Local Policing Team; Our Team has been working hard to maintain our commitment and reassurance to the Community, therefore the decision was made to split our Neighbourhood team into two, lowering the risk to any of us contracting Covid 19 which would have meant the entire team being placed on a 14 day quarantine period. This allows us to continue our patrols more effectively and regularly. Throughout May Various Speeding operations have been conducted and numerous vehicles stopped, we have continued to Patrol Morgan's Hill and Nowhere Woods in relation to ongoing reports of ASB.

We are receiving numerous calls relating to COVID BREACHES at the Skate Park within Millennium Park, this is still locked and taped off to prevent public access, sadly as soon as the council repair the broken locks and tape they are vandalised and people are re-entering the park, This is a Council Issue and we will be passing any concerns reported to us onto them

Crime Updates: Things have remained fairly calm throughout the last Month apart from the ongoing Covid Breaches, however we are now preparing for the opening of Licensed Premises on Saturday 4th July.

ASB Issue! We are sadly receiving reports of Anti-Social Behaviour at Grove Park Sports Centre involving large groups of youths drinking and using "NOS" canisters, resulting in Criminal Damage and vandalism, please can we ask parents to be aware of where their children are, what's in that bag they are taking with them and what they are doing whilst out and about.
