### Good News Story – Clap for Carers & New “PC’s”

We were pleased to meet and enrol some new officers during the Lockdown period Joe, Callum and James had previously invited us to join them with the Clap for Carers a few weeks before and we were really impressed by them.

### A message from your Local Neighbourhood Policing Team.

We would like to take this opportunity to introduce ourselves as your new local Neighbourhood Policing Team. It is currently a difficult time for us to get to know you all but we look forward to meeting the residents of our beats and keeping Nailsea beat safe.

As a team we have many years of service between us, when we are able to do so we shall be looking to establish beat surgeries, to be announced in due course, as well as engage with our schools and community groups.

Protect yourself against COVID-19.

For further information go to:

<https://www.n-somerset.gov.uk/my-services/community-safety-crime/emergency/north-somerset-together/where-to-get>

### Our high target patrol areas will include;

School Patrols, ASB hotspots, High Streets and surrounding roads.

Please let us know anywhere else you feel would benefit from more regular patrols from the team.

### Crime Updates

*As expected there has been a drop in the crime rate within Nailsea due to the COVID-19 pandemic. (We would like to think it's because we have taken over the beat)*

### Graffiti Issue!

*We are dealing with a spate of graffiti at several locations in Nailsea. These are just a few examples. If you see or hear of any such instances please contact the beat team and quote reference number 5220104517.*

*Speeding has also been an ongoing concern during this time. As a neighbourhood team we will be performing speed checks in the coming months in several locations within Nailsea & surrounding areas.*

As you can see below we are moving with the times and are the proud owners of two new ebikes. They are a great asset in patrolling the town and I can tell you they are very popular with the team.
