

NAILSEA NEIGHBOURHOOD WATCH SCHEME – _____

FROM: _____ Co-ordinator's Address: _____

Dear Resident

This is to let you know that there is a Neighbourhood Watch Scheme for your road.

Nailsea Neighbourhood Watch is recognized as one of the most successful in the area but membership is not 100%. Whilst Police admit NHW membership does not buy immunity from criminal activity they do confirm it significantly reduces the risk. Why?

- Through NHW Newsletters, published five times per year, members are made aware of potential risks and receive advice on how to tackle them.
- Members develop a community spirit and are encouraged to "look out for each other", for instance by keeping an eye on each other's property during absence or reporting suspicious callers via 101.
- Through their Co-ordinator they receive early warning from Police of crime problems or suspicious persons operating in the area or by visiting our Website: <https://nailseanhw.org.uk/> where you can view not only the latest Police Alerts but information on Crime Prevention, Public Meetings (held five times a year at the United Reformed Church Hall) and much more.
- Members could also be entitled to a discount on their House Contents insurance premium.

ALL for an annual subscription of just £1 – just 2p a week, details in the next September Newsletter.

I would be delighted to welcome you as a member. Please fill in the form below and drop it in my letterbox (address above) and do contact me if you need any further information.

Many thanks

Do remember that any suspicious activity or incidents can be reported to the police on 101 (or in an emergency dial 999). You can also let Nailsea NHW know by emailing any committee member via our website shown above.
